

Stotan Contract

I hereby relinquish ownership of my mind and body to Arvel McElroy for the days of December 28 – January 6, 2006, all inclusive (hereafter known as STOTAN WEEK) between the hours of each practice session. During that time I will perform all feats required of me to the best of my ability with no visible display of my agony.

I understand that should my mind and/or body fail me and break down, I hold no person or institution responsible, save myself; and should I fail to succeed, fully expect to be washed up into the scum gutter of the Chisholm Trail Junior High School pool.
