Tired of paying yearly upgrade fees or annual subscription fees for your meet management software?

There is a better way!

MEETWARE®3

MEETWARE®3 Software turns your **laptop** into a fully integrated timing, meet and team management system. In **MEETWARE®3**, create meet structures, time meets and maintain athlete histories *in one program on one computer*. **MEETWARE®3** is specifically designed for high school meets. Automatically seed dual, double (or more) duals, triangles, timed finals and championship meets. Prelim results automatically seed into finals at the end of the prelim event. Know the team score at the end of each event. Import entries from and export results to Hy-Tek's Team Manager. Demo mode and Video Tutorials make training easy. No timing console required!

MEETWARE is a one time purchase with NO YEARLY UPGRADE FEES and NO ANNUAL SUBSCRIPTION FEE. Contact IST today for a quote.

From the President:

Greetings,
Hopefully, this finds you recharged and allowed you time to reflect on the past school year for teaching, coaching and life and are

rejuvenated for the new school year.

CONGRATULATIONS! Congratulations to ALL the swimmers, divers, water polo players, academic All-Americans, Scholar Teams, and their coaches, schools and parents. Thank you to all the coaches for their endless hours of dedication to the aquatic world. Also, thank you to all the parents for all the time and sacrifices you have made to support your sons and daughters.

Thank you to all the NISCA individuals who have spent endless hours working on the All American lists and all the programs; without your dedication and time these young men and women would not receive this special recognition.

August 1st starts your new NISCA membership year which is so valuable in so many ways. You get free or reduced All-American application submission and

<https://www.facebook.com/Nisca-National-Interscholastic-Swim-Coaches-Association-165367300181146/>

National Interscholastic Swimming Coaches Association of America, Inc.
To Educate.... To Honor.... To Serve

From the Editor:

I love the All America Issue! I get excited seeing my swimmers and I imagine that coaches, swimmers and parents all over the country feel the same. It's a testament to the sport that there are swimmers in these lists from every state, every size and type of school, and a wide variety of communities. I believe that swimming has a place for everyone and looking at these lists seems to confirm that.

As I compile these lists I always wonder what these teams are doing. There are teams that you will see over and over. How have they created a community and culture that supports such a high level of success? You will also see individual athletes that are the only representative in the list from their school, their district or even their state. What do the coaches of those swimmers have to do to help them excel at the national level? What can we learn from the ways we succeed in the very wide range of situations we coach in?

Don't forget that there's a lot more to NISCA than this issue of the Journal!

Next month we will bring you the National Dual Meet, Power Point, rankings if you just can't get enough of

these lists. We'll also take a look at some of the rapidly developing tech that's available to coaches and swimmers. It's not too late to share your ideas and experiences if you have something to contribute!

As we move into August and back to school don't forget to renew your membership. It's necessary to place swimmers on these lists, but also provides a ton of other benefits. Insurance coverage and coaches education are some highlights- be sure to check out our website and connect with other coaches in our Facebook group!

We will be at the ASCA World Clinic in Dallas, TX next month. I hope many of you will have the opportunity to attend and will come by and see us. Congratulations to all on a great 2018-19 season. Let's all get out there and get to work on the 2019-2020 season; I'm sure it will be even better!

SWIMSTART®

SWIMSTART Electronic Start system includes a portable PA system, 360 degree strobe and tone start signals, all in a rugged aluminum case. **SWIMSTART** may be used stand-alone or with IST's **TIMEWARE®** or **MEETWARE®** Timing Systems. With its normally-open or normally-closed output, it also works with other timing consoles. **SWIMSTART's** Smart Charger means you don't have to run the battery down before recharging and you can't overcharge it. Also supports external far-side or block speakers.

SWIMCLOCK, SWIMCOUNT, SHOTCLOCK and SWIMSTART are covered by IST's 5 year limited warranty.

SWIMSTART® may be used stand-alone or interfaced to IST's Timing Systems or other popular timing consoles. No-tip feet allow the unit to be placed directly on the deck, or attach it to the back-stroke flag pole with latching straps included with the unit.

Our internal, rechargeable 12V battery has a smart charging circuit that makes it impossible to overcharge. No need to run the battery down before recharging, either. You can store the **SWIM-START®** on the charger, so you always have a full charge. If you forget, you can even use it plugged in!

The forty watt speaker will get every swimmer's attention, since we bridge the power amps for maximum volume. Plug far-side or block speakers into the auxiliary jack for better sound coverage in large or outdoor pools. The ultra bright 360° strobe is protected by an ABS plastic lens. For practice, turn the speaker off and use the strobe only to train swimmers for the fastest possible start.

One low price includes the start, 40W speaker, wired microphone and mounting straps. No additional tripod to buy!

NISCA Business 2020

Proposed By-law change, accepted 2019. 2nd ratification at NISCA Meeting #2, 2020

ARTICLE IV Finances

SECTION 3 Stipends:

~~a. Any stipend must be voted by the membership present at the Annual General Meeting. Once approved, a stipend will be provided as noted until such time as it is either altered or revoked by similar vote. All stipend amounts shall be noted in the Constitution or By-laws.~~

~~b. The Journal Editor shall receive a stipend of \$1500.00 per annum.~~

~~c. The Web Master shall receive a stipend of \$1500.00 per annum.~~

Proposed change:

- a. Positions to receive stipends shall be voted on and approved by the membership present at the Annual General Meeting. Approved positions shall be recorded and published in the By-laws of the organization.
- b. The amount of the stipends shall be determined by the Executive Board. Stipends shall be reasonable and appropriate and in accordance with the current financial status of the organization.
- c. The Audit Committee will review stipend amounts annually.
- d. The Journal Editor and Webmaster shall receive stipends.

Rationale:

Due to the changing needs of both the organization and the specialized expertise required for the Webmaster and Journal Editor positions, allowing the executive board to set the stipend amount to reflect the current job will permit the flexibility needed to match compensation with needs.
