Dear NISCA Board Members,

I am writing to formally submit my application for the position of President of NISCA. With 25 years of high school coaching experience and an extensive background in leadership within swimming and coaching organizations, I believe I am well-qualified to serve in this important role and help continue moving NISCA in a positive direction.

Throughout my career, I have gained valuable leadership experience, including serving as President of the Michigan Interscholastic Swim Coaches Association (MISCA) from 2016–2018. This experience provided me with a strong understanding of organizational leadership, the importance of collaboration, and the need to adapt and innovate to ensure continued growth and success.

In addition to serving as President, I have been a member of the MISCA Executive Board for 15 years, holding several positions, including Zone 4 Representative, MISCA Clinic Committee, Dream Team Coordinator, and Mythical Meet/Top 16 Chair. I have also served as the NISCA Dual Meet Ranking Chair since 2021, giving me a deeper understanding of NISCA's operations, priorities, and opportunities for continued growth.

I am committed to building on the organization's past successes while helping guide NISCA toward an even stronger future. As President, my goal would be to work collaboratively with the Board and membership, encourage new ideas and initiatives, and ensure the long-term strength and vitality of our organization.

Thank you for your consideration. I would welcome the opportunity to discuss my qualifications and vision for NISCA in greater detail and share how I hope to contribute to the continued growth and success of the organization.

Sincerely,

Michael McHugh
