

For Sarcoma Research, November 11, 2025

Sponsored by Carleton College Swim & Dive

First held on Nov. 7, 2006, the Ted Mullin “Hour of Power” Relay has grown from 15 teams in its first year to as many as 170 teams and over 8,000 athletes in the past 17 years. A total of 148 teams and 6,100 athletes participated in the 19th Annual Hour of Power. Over the years participants in the “Hour of Power” raised over \$1,000,000 for the Ted Mullin Fund for Pediatric Sarcoma Research at the [University of Chicago Medicine Comer Children's Hospital](#).

What is the “Hour of Power” Relay?

The set is one of the Carleton College Knights' favorites, and the team felt it would be an appropriate memorial to Ted to run a “Leave it in the Pool” practice consisting of continuous relays, any stroke, all-out swimming, for one hour, with the objective of keeping all relays in each lane on the same length.

Simultaneously swimming the “Hour of Power” across time zones adds to the spirit and fun of the relay, but teams unable to participate at the scheduled date/times are encouraged to hold a relay event when possible.

The participants in the event are asked to gather donations for the Ted Mullin Fund for Pediatric Sarcoma Research at the University of Chicago Medicine Comer Children's Hospital. Checks should be made payable to “The University of Chicago/Ted Mullin Fund” with the team name in the memo line, and mailed to the Ted Mullin Fund, P.O. Box 261, Brunswick, Minnesota 04011-0261. All donations made to the Ted Mullin Fund are tax-deductible to the extent allowed by United States law. Donations may also be made online at www.tedmullinfund.org. We encourage participation to raise team spirit and sarcoma awareness whether or not your program is able to fund raise.

Where Does the Money Go?

Money raised acts as seed funding for the University of Chicago Medicine's (UCM) pediatric cancer research program. The Ted Mullin Fund has supported research into novel chemotherapy/biology agents, new ways to administer chemotherapy, techniques to visualize tumor response, novel genomics strategies to identify high-risk sarcoma patients, molecular techniques to personalize therapy, and treatments for metastatic or resistant disease that use the patient's own immune system to attack residual tumors. Each summer, the UCM hosts Ted Mullin Fund Scholars in pediatric cancer laboratories, giving collegiate Ted Mullin “Hour of Power” participants an opportunity to advance their interest in science and cancer biology. With initial seed money from the Ted Mullin Fund, UCM is celebrating the tenth anniversary of the Adolescent and Young Adult Oncology Program. The Fund has supported the UCM comprehensive Pediatric Cancer Data Commons that will collect standardized data from as many pediatric cancer patients as possible in one central repository and share it openly with the entire research community.

WHO: All college, high school, club or masters swimming/diving teams, and any other interested teams.

WHAT: “Hour of Power” relay in honor of Carleton College swimmer Ted Mullin, who died in the fall of 2006 from sarcoma, a rare soft-tissue cancer. Funds raised through this event support research at the University of Chicago Medicine into the causes and treatment of sarcoma in young people.

WHEN: November 11, 2025
5 p.m. Eastern/ 4 p.m. Central or
5 p.m. Mountain/ 4 p.m. Pacific
(or another date that works for your team)

WHERE: Your team's home pool, field or venue.

HOW: Sign-up form and more information available at <http://go.carleton.edu/HourOfPower>
